Benefits of Using In-network Dentists

To maximize the benefits available under the plan, Gordon Food Service has partnered with Delta Dental of Michigan to offer services for a reduced fee if an in-network dentist is used. The dental network consists of Delta Dental PPO and the Delta Dental Premier networks. Dentists outside the network may be used with the same dental benefit coverage; however, you will not receive a reduced rate for those services and may be billed for services over what the plan covers.
